KEY THEMES IN THE PROGRAMME:

- Defines directly the major questions facing the procurement profession today,
- Looks at genuinely strategic solutions to these issues, and how others do it ...
- Considers how Procurement responded to the COVID-19 crisis and the lessons it offers,
- Addresses why strategic sourcing from Australia & New Zealand is more difficult,
- Takes a glimpse at the sales professionals' view of buyers, and why it matters,
- Considers how Procurement can align with your Marketing strategy - a unique element
- Discusses the most acute management challenges facing procurement this year

WHAT PREVIOUS ATTENDEES HAVE SAID:

"I went into the course with a relatively low expectation of receiving mountains of theory and not so many practical examples.

To my absolute delight I found Jonathan's delivery to be extremely energetic. His ability to call on practical examples for almost every scenario discussed was outstanding.

The examples were very real and stretched across many industries, scenarios and often strayed well beyond his own personal experiences."

Group Procurement

Mgr Major Australian Corporation

"The course was absolutely fantastic and Jonathan was a breath of fresh air, especially his knowledge & personal experiences he shared with us.

I took away so much from the course I would recommend it to anyone in my field."

Arvind Mistry

Purchasing Co-ordinator Genea

"Engaging, enjoyable and informative with real-life, current examples.

In my 30+ years as a procurement professional I've attended many courses and workshops. This one ranks up there with the best

JD's style challenged as well as informed and created genuine participation and debate from the course members."

Phil Partridge

Procurement Manager Electrix"
